THE PRESCRIPTION FOR GORGEOUS SKIN

Our in-office skincare procedures include customized facials, clinical microdermabrasion, and chemical peels. They are designed to work together with your home skincare regimen prescribed by Dr. Bowermaster and his staff, to create the most up-to-date anti-aging products and regimens to give your skin a youthful, glowing appearance.

ANTI-OXIDANT THERAPEUTIC FACIAL & SKIN ANALYSIS \$70

Customized just for you, all natural enzymes give a light exfoliation with the help of herbal-soaked, steamed towels. Extractions are performed to rid the pores of excess oil and bacteria. A vitamin enriched massage helps fight free-radical damage & is followed by a green or red tea anti-oxidant mask.

ESSENTIAL EXTRACTIONS FACIAL \$45

Keep blemishes & excess oil under control. This facial is customized to YOUR skin's needs. Acne doesn't just affect teens! Sulfur, Salicylic & Glycolic acids combined with the use of benzoyl peroxide helps keep acne under control.

ANTI-STRESS FACIAL \$50

Spend your lunch time with us, the perfect way to get some 'ME' time. A gentle exfoliation followed by a vitamin-enriched head, neck & shoulder massage helps brighten your skin & your day!

ANTI-AGING VITAMIN C INFUSION FACIAL \$75

Slow the signs of aging with this anti-oxidant packed facial. All natural Vitamin C enzyme mask gives a light exfoliation while the Vitamin C massage helps to fight free-radical damage. End it all with our signature seaweed anti-aging paraffin mask. Brighten, tighten & give your skin an instant lift!

ELEMENTS FACIAL \$75

Draw out toxins & impurities with our Deep Sea Mudd Mask. Vitamin enriched oils are gently massaged in, followed by soothing aloe & minerals infused with pure oxygen.

SKIN RENEWAL LIGHTENING & BRIGHTENING FACIAL \$85

Help erase signs of sun damage & aging with our Skin Renewal Facial. A unique combination of enzymes, lactic and L-ascorbic acids help to lighten & brighten pigmentation problem areas by giving a medium exfoliation to dull or lifeless skin.

AGE DEFYING ECHO OXYGEN FACIAL \$120

Nourish & revitalize every cell pore-by-pore with our exclusive ECHO Oxygen Treatment System. This revolutionary system uses pure medical-grade oxygen gas along with Vitamins A, C & E & 87 minerals, enzymes, & amino acids to exfoliate, hydrate & oxygenate your skin.

SIGNATURE FACIAL \$110

During this 90-minutes of pure relaxation, we start with a customized enzyme mask. Poor cleansing is followed by a vitamin-enriched head, neck & shoulder massage. Next, our anti-aging seaweed mask is followed by a mini-microdermabrasion to brighten, tone and smooth your skin.

TOUCH OF STONE \$20

Add a hot stone massage treatment to any of our customized facials for an extra special relaxing treat

MINI-MICRO \$35

Add a mini Microdermabrasion treatment to any of our customized facials for extra exfoliation & glow.
